Sir / Madam,

**Sub: Intimation pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, please be informed that Tata Communications proposes to engage in exploratory discussions with Tata Teleservices Ltd. and Tata Teleservices (Maharashtra) Ltd. (Tata Teleservices) regarding the potential acquisition of its Enterprise Business. In the normal course of our operations, Tata Communications often looks at potential opportunities in various markets that it believes are in the best interest of Tata Communications. Tata Teleservices has built a powerful asset, serving enterprise customers in the fast-growing Indian market. We believe this would be a good fit for Tata Communications and its customers, and help to further strengthen Tata Communications' leadership position in this segment.

The Tata Communications Board met today and has instructed Management to appoint independent advisors to evaluate the strategic fit as well as the financial merits of the potential transaction. The Board will review the recommendations before making any final decision.

Given the preliminary nature of these discussions, it would be inappropriate for us to comment further at this time.

Thanking you,

Yours faithfully,  
For Tata Communications Limited

Manish Sansi  
Company Secretary &  
General Counsel (India)
