Legenda

- The cells to be filled in are those in yellow (with the measures and relevant mandatory information) and those in blue (with notes, if any)

- The hours requested should be indicated in a format where hour and minute are separated by a point **[hh.mm]** as per this example:
In case of full time, the final hour of the morning coincides with the first hour of the afternoon.

		M		M					
		A		A					
The numerator refers only to the number of malfunctions cases in CPS									

The diagram illustrates a form structure. It consists of three horizontal yellow bars stacked vertically. Below these is a section with a double-line border containing the text "MANDATORY INDICATIONS". This section is divided into three columns by vertical lines. The first column on the left is filled with yellow, while the other two are white. A dashed horizontal line runs across the bottom of this section. Below the dashed line is a wide horizontal cyan bar.
